

**Godavari based projects of Andhra Pradesh**

1856. SHRI SOLIPETA RAMACHANDRA REDDY: Will the Minister of WATER RESOURCES be pleased to state:

(a) whether clearance has been given to Godavari based projects of Andhra Pradesh like Yellampalli, Polavaram, Dummugudem and Ichampalli;

(b) if so, the progress of the projects; and

(c) by when the projects would be completed?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATI BIJOYA CHAKRAVARTY): (a) Only the detailed project reports of Polavaram Project and Ichampalli Irrigation Project have been received from the Government of Andhra Pradesh. These projects have not been cleared as clearance of any project is linked with many factors such as its techno-economic viability, resolution of inter-State issues and obtaining clearance from environment and forests angle etc.

(b) and (c) Irrigation being a state subject, irrigation projects are planned, investigated and implemented by the State Government out of their own resources and as per their own priorities.
